## 70mph gusts set to wreak havoc in UK

WIND gusts of up to 70mph are expected for the west of the UK this week and forecasters warn of huge transport disruption.

Northern Ireland, Wales and western parts of Scotland and England will bear the brunt of the gales throughout Wednesday night and Thursday.

The Met Office has issued a yellow wind warning with inland areas "likely to see wind gusts peak between 45mph and 55mph" and exposed coastal areas hitting 70mph.

South-west England could also see up to 2ins of rain fall from 2pm on Wednesday and 3am on Thursday.

The strong winds may affect road, rail, air and ferry transport and may also cause short-term power loss.

Despite this week's warnings, Met Office forecaster Alex Burkill said the rough weather is expected to ease off by next week.

He added: "Christmas Day will most likely be cold and dry with milder than average conditions."

## Cottrell named York Archbish

THE new Archbishop of York to be appointed when Dr John Sentamu steps down next year has been named as Stephen Cottrell.

The current Bishop of Chelmsford will become the 98th Archbishop of York and the Church of England's second most senior clergyman.

Bishop Cottrell was ordained priest in 1985.

The married father of three, who has previously called on the CoFe to shed its middle class "Marks and Spencer" image, said he was "humbled and excited at the prospect".

# Er, is that supposed to be an ANTI racism poster?

AN Italian football anti-racism initiative featuring paintings of MONKEYS has been blasted.

The sport in Italy has been blighted by racist abuse this

season, and artwork commissioned by Serie A was designed to stop fans directing monkey chants at players.

Artist Simone Fugazzotto came up with the idea for the Coppa Italia final between Lazio and Atalanta in May – and it's part of an official anti-racism initiative that was officially unveiled on Monday.

Fugazzotto said his triptych of monkeys was intended to show there's no difference between humans and apes, an idea that he decided to use after watching a match between Inter Milan and Napoli.

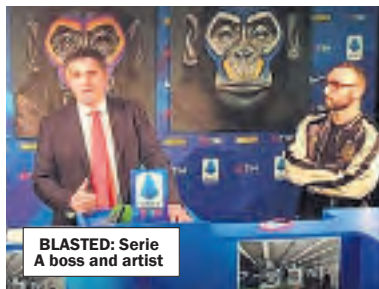

But in a statement AC Milan said they "strongly disagree" with, and were not consulted about, the use of monkeys in artwork for the campaign.

I said: "Art can be powerful, but we strongly disagree with the use of monkeys as images in the fight against racism."

AS Roma also expressed their "surprise", adding: "We understand the league wants to tackle racism but we don't believe this is the right way to do it."

Former Premier League defender Sylvain Distin says he does not understand "how you can fight racism with something that looks like racism."

"I just really don't get it. Are they trying to make things so big that all the little incidents that happen in Italy just look normal?"

RED RUMPUS: Trump with Sergey Lavrov

# TRUMP IS A RUSSIAN AGENT

## Moscow TV lets cat out of the bag

RUSSIAN state TV has bragged that US President Donald Trump is an 'agent' of Moscow following foreign minister Sergey Lavrov's visit to the White House.

The day after the closed-door meeting, which Trump said was to discuss election interference, news channel Rossiya 1 ran a segment entitled *Puppet Master and Agent: How to Understand Lavrov's Meeting With Trump*.

Another popular talk show, *Sunday Evening With Vladimir Soloviev*, also discussed Trump

By ROY DURRIDGE  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

and the possibility that the Democrats will get elected next year – plunging relations with Moscow back into the deep freeze.

### Vilifying

At one point the host joked: "Should we get another apartment in Rostov ready [for Trump]" – a reference to Kremlin-backed former leader of Ukraine Viktor Yanukovich, who went into hiding in Rostov after being finally ousted by pro-democracy protesters.

Russian state TV has swung between supporting and

vilifying Trump during his first term in office, as the president has alternately courted and pushed back on relations with Moscow.

The latest round of support from pro-Kremlin media comes as Republicans push the theory that Ukraine was involved in the 2016 hacking of Democrat party emails.

US security services and the Mueller report concluded that Russia was behind the hack in an attempt to interfere in the election.

According to a White House statement, election interference formed the basis of Trump and Lavrov's discussions at the White House last week.

The White House said:

"President Trump warned against any Russian attempts to interfere in US elections and urged Russia to resolve the conflict with Ukraine."

Trump then tweeted: "Just had a very good meeting with Foreign Minister Sergey Lavrov and representatives of Russia."

"Discussed many items including Trade, Iran, North Korea, INF Treaty, Nuclear Arms Control, and Election Meddling. Look forward to continuing our dialogue in the near future!"

The President has repeatedly questioned the narrative of Russian election interference in 2016, and blasted the Russia probe as a "witch hunt".

## Rape convictions low 'due to cuts'

A REVIEW of record low rape conviction rates has found a justice system "close to breaking point" because of cuts.

The Crown Prosecution Service Inspectorate said a "damning" number of cases are lost in "under-resourced" police investigations. But it rejected claims prosecutors unfairly select the cases they charge.

The government said the findings were "deeply concerning" while women's groups said the review failed to explain "woeful" conviction rates.

There were a record 58,657 allegations of rape in the year up to March, but only 1,925 successful prosecutions.

## Employment hits new high

UK unemployment fell to its lowest level since January 1975 in the three months to October.

The number of people out of work fell by 13,000 to 1.28m, Office for National Statistics figures show.

The employment rate rose to an all-time high of 76.2 per cent, taking the number of people in work up to a total of 32.8m.

However, wage growth, excluding bonuses, slowed to 3.5 per cent from 3.6 per cent from July to September.

ONS head of labour market David Freeman said: "Pay is still increasing in real terms, but its rate has slowed in the last few months."

# TEEN KILLER IS JAILED FOR LIFE

A TEENAGER who stabbed a lawyer to death with a screwdriver as he was walking home from work has been jailed for life.

Ewan Ireland (left) was 17 when he attacked Peter Duncan, 52, at the entrance to a shopping centre in Newcastle in August.

A court heard the two had brushed past each other when the teenager pulled out a screwdriver he had shoplifted and stabbed Mr Duncan in the heart. Ireland admitted murder

and was jailed for life with a minimum of 15 years.

The killer, who was able to be identified after he turned 18 in October, had 17 previous convictions for 31 offences.

At the time of the murder he was on bail for an offence of affray, was under investigation for a robbery and still subject to a 12-month conditional discharge for a battery offence.

At Newcastle Crown Court, Mr Duncan's widow Maria said her life "was ruined by a senseless and unprovoked act".

# WORTH A SQUIRT!

**Princess Kate & Mary Berry delight viewers with X-rated banter**

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**STUNNED viewers watched Mary Berry ask Kate Middleton if she wanted to have a "squirt on a cake".**

A festive BBC special saw the baking legend shadow the Duke and Duchess of Cambridge as they attended royal engagements.

The Kate-Mary duo was praised by fans, although some viewers of *A Berry Royal Christmas* were taken aback by the former *Bake Off* judge's naughty quip.

Mary, 84, helped Kate prepare cupcakes for her guests – and left viewers in hysterics when she couldn't resist one of her trademark rude innuendos, asking the future queen if she'd like to "have a squirt on a cake".

Giggling nervously, Kate replied: "Can you show me how to do it first?"

People watching at home flocked to Twitter to express mock outrage over Mary's remark.

"Did Mary just ask Catherine if she would like to squirt on a cake?" one tweeted.

"Mary Berry asking Kate Middleton if she'd like to squirt on a cake is ICONIC," said another.

And one exclaimed: "Squirt on the cake, she's going to be queen!"

At the end of the show Mary took to the kitchen with Kate and William, 37, in order to prepare a series of festive treats for 150 charity staff who workover Christmas.

"Squirting" is a familiar sight for porn fans – it involves copious fluids gushing from a lady's minge when she climaxes.

## A TONIC FOR VERA LYNN

A GIN firm has been ordered to pay Dame Vera Lynn £1,800 in legal costs after being told it could not trademark the *We'll Meet Again* singer's name at a hearing.

Halewood International applied to register 'Vera Lynn' last year due to its recognition as cockney rhyming slang for gin.

Dame Vera opposed on the basis the usage of her name, which the 102-year-old has been using for music and charity work since 1939, could be considered an endorsement of the booze.

**Joy as Aqua re-form**

**PERKY Scandie pop band Aqua is planning a comeback after almost 20 years.**

The Danish group, fronted by stunning Lene Nystrom and famous for its 1997 hit *Barbie Girl*, will be touring Canada in 2020.

Band members Lene, Rene Dif, Claus Norreen and Soren Rasted said they even hoped to perform at the Coachella Festival in California in April.

## Pin-up

In an interview on YouTube, pin-up Lene, 46 – who has posed fully nude in the past, as this snap shows – said: “We’re working on new music but we

are our own toughest judges. “We will not release anything until it’s absolutely perfect. We’re crossing our fingers that something amazing will come out of it.”

Lene is active on Instagram, where her pictures show she hasn’t aged a day since the band split up in 2001.

But she has ditched the short spiky red and black hair and vivid blue eyeshadow which were so much part of 90s nostalgia.

The group sold 33 million albums and singles, making them the most profitable Danish band ever.

**1 in 200 people now homeless**

THE number of homeless people in England has risen to 280,000, an increase of 23,000 since 2016, a new study has found.

Analysis of official rough-sleeping and temporary accommodation figures by the charity Shelter showed that one in every 200 people is now without a home.

The report, *This Is England: A Picture Of Homelessness In 2019*, said the figures could actually be higher due to homelessness regularly going undocumented, such as via “sofa surfing”.

## ‘ERRATIC’ DRIVER WAS PULLING PUD

A MUM spotted a driver WANKING behind the wheel as she walked her kids to school.

Scaffolder Ashley Thomas, 24, had earlier raised suspicion over his “erratic” driving.

The woman was horrified when she looked inside the vehicle to see Thomas pleasuring himself with one hand while holding his mobile phone with the other in Wolstanton, Staffs.

The prosecutor told North Staffordshire Justice Centre: “At 8.30am a lady taking her children to school noticed a Vauxhall car

being driven erratically. This made her feel on edge. She decided to look inside the vehicle. She saw the defendant masturbating while looking at his phone. Every now and then he was looking up.”

Thomas, of Tunstall, was later arrested and admitted committing an act of outraging public decency.

His defence said he had acted out of “boredom”.

Magistrates handed Thomas a 12-month community order with a 10-day rehabilitation activity requirement and ordered him to do 80 hours unpaid work, plus costs.

**SPORT** MIDWEEK **YOUR ONLY**

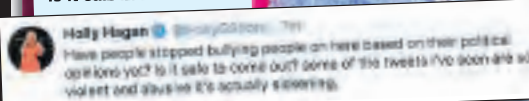

**Holly hits back at haters!**

**GEORDIE Shore** star Holly Hagan has hit out at internet trolls for being “violent” and “abusive” in the run-up to last week’s General Election.

The MTV star, 27, was one of many to lambast social media users who berated people with different ideas about who should be in Number 10 than themselves.

She posted on Twitter: “Have people stopped bullying people on here based on their political opinions yet? Is it safe to come out?”

“Some of the tweets I’ve seen are so violent and abusive it’s actually sickening.”

Her tweet – which since appears to have been deleted – came as Gavin and Stacey star Matthew Horne apologised for branding BBC political editor Laura Kuenssberg a “disingenuous plop carpet” in an early morning election night tweet.

Ms Kuenssberg replied to his apology to say: “Apology accepted – no-one wins when we scream and shout rather than talk.”

## STORMZY: GREGGS IS YUMMY

CORBYN-crazed rapper Stormzy has confessed that he’s a massive fan of Greggs pastries – even loving its vegan sausage roll.

The grime star, 26, revealed that he had recently been tucking into the sausage, bean and cheese melt, but had moved on to the turkey and cranberry sausage roll for Christmas.

Asked if he still loved Greggs sugary Yum Yum treats or vegan sausage rolls, the singer said: “I love a vegan sausage roll, but – disclaimer! – do not mistake me for a

vegan. Still love a Yum Yum though.”

The *Vossi Bop* singer – whose noisy intervention in the General Election made not one jot of difference to the result and ended in Labour’s crushing defeat – added: “The sausage bean and cheese melt has been a favourite recently.”

“Sausage steak bake; sausage, bean and cheese melt; or, in the festive season, you really want to get the turkey and cranberry one. That’s a good pastry.”

**PAPER FOR POLITICAL ANALYSIS****MATT HANCOCK!**

**Will stiffy claim  
make health  
secretary's  
career flop?**

**HEALTH Secretary Matt Hancock was accused of getting a HARD ON during the election campaign – and it could cost him his job.**

Hancock, 41, was accused on Twitter of looking like “a golden retriever in disguise” as he was filmed in an odd clip that went viral.

He appeared to be nursing a significant stiffy standing next to Tory candidate Wendy Maisey as he supported her ultimately unsuccessful bid to become MP for Warrington North.

Blonde Ms Maisey – who has fine breasts – was filmed side-by-side with the Health Secretary as she faced the camera while Hancock was captured standing in close to the candidate.

In the 56-second clip, shared to Twitter, Ms Maisey said: “It’s been absolutely fantastic being here this morning with Matt Hancock” – then gestures to her left and takes a step away from him.

There appeared to be a large protruding item in the trousers of the MP for West Suffolk, which was even picked up on by BBC1 game show *Have I Got News For You* just hours after Boris Johnson’s landslide win.

Panellist comedian Jon Richardson noted how Ms Maisey’s left hand came close to brushing the bulge, quipping: “It was nearly a Hancock hand cock!”

**By ROY DURRIDGE**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The clip also set Twitter alight, with commentator WhiteRose saying: “Don’t look at Hancock’s stiffy! Or the creepy look on his face as he hovers over her as she moves away.”

While Joe Glenton asked simply: “Does he have a lob-on?”

**Erection**

And Barry O’Leary, posting with lots of laughing emojis, pointed out: “You are aware he has an erection here.”

Luke Batton wrote: “If Matt had a stonk-on that close to me, I’d feel spiritually violated.”

And @sock\_womble said: “His proximity to your leg is just further proof that Matt Hancock is a golden retriever in disguise.”

now say Hancock – who stood against Boris for the Tory leadership – is expected to be demoted from the cabinet in a major reshuffle slated for February.

A source said: “Boris knows that boys will be boys and his own erection has got him into a fair bit of trouble in the past.”

“But he can’t have his ministers going around pointing their erections at people. It’s what spin doctors call ‘bad optics’.”

**OLD ‘UNS SWUNG ELECTION FOR BORIS**

OLDER voters swung the General Election for Boris Johnson even though the age of Tory supporters is falling, according to a new opinion poll.

A YouGov survey of 40,000 adults following the election on Thursday found that – as in the 2017 election and the referendum – age remains the key dividing

line in British politics. While the majority of younger voters backed Labour, the Tories were overwhelmingly ahead among their older compatriots.

However the tipping point at which a voter is more likely to back the Tories than Labour was down sharply to 39, compared with 47 in 2017.

**IT’S THE SPOON  
WOT WON IT!**

**ILLUSIONIST Uri Geller claims one of his ‘magic’ bending spoons helped Boris Johnson win the general election.**

Tel Aviv-born Geller, 72 – a former pal of the late supernurse Michael Jackson – says he “energised” his spoon to ensure that beleaguered Labour leader Jeremy Corbyn was defeated.

He says the cutlery item in question was previously owned by Golda Meir, the former PM of Israel, who died in 1978 aged 80.

He wrote: “Met with #borisjohnson’s team, gave @BorisJohnson a spoon which belonged to Golda Meir. I energised this spoon with #PositiveEnergy as part of my strategy with the #mindpower of the #UK public to ensure that #JeremyCorbyn did NOT end up as #primeminister!”

But his revelation, posted on Twitter, was swiftly pounced upon by social media users. Communist Nationalised Sausage Agenda replied: “We found the worst explanation for Labour’s defeat. This really blows the other entrants out of the water.”

And PoisonIvy\_21 said: “You really are mad aren’t you.”

**Pervert hid  
cameras in  
speaker to  
film woman**

A “PREDATORY” engineer has been jailed after he secretly installed a camera in a Bluetooth speaker so he could spy on a woman while she was naked in the shower.

BAE worker Dean Spicer, 60, downloaded recordings of his victim after planting the device in her speaker as well as a GoPro camera in her bedside cabinet to film her while she was naked in her room.

A court heard that “devious” Spicer filmed the unsuspecting woman for his own sexual gratification in what a judge branded “one of the worst” cases of voyeurism.

His victim, who used the Bluetooth speaker to listen to music in the shower, was “horrified” and “humiliated” after discovering the cameras.

Spicer, of Portsmouth, Hants, has now been jailed for eight months at the city’s crown court.

The pervert was caught out in December last year when the woman, who cannot be named for legal reasons, discovered the devices and called in the police.

Sentencing Spicer, who admitted charges, the judge said: “In the grand scheme of voyeurism offences this must rank as one of the worst.”

“I think I have seen at least 20 and other people have said they have seen them too.”

The late Jimmy Savile is believed to have been one of the UK’s most prolific sex offenders, with allegations of child sex abuse by him spanning six decades, including on hospital patients.

In 2014 Rolf Harris was convicted of 12 instances of assault on four girls and jailed for five years and nine months.

## COULD this be the end of the Queen of Trash TV?

*Love Island* host Caroline Flack has stood down from the hit dating show after being charged with assault.

"I feel the best thing I can do is stand down for series six," she said, describing ITV2's *Love Island* as "the best show on telly".

Police were called to the 40-year-old star's home in Islington, north London, where she lives with her partner, tennis player Lewis Burton.

She was bailed and will appear before magistrates next week.

On Instagram she posted: "There have been a significant number of media reports and allegations into my personal life. While matters were not as have been reported, I am committed to working with the authorities and I can't comment further on these matters until the legal process is over."

Flack, who was due to present the upcoming winter edition of the popular ITV2 show – which is expected to start on January 12 – added: “*Love Island* has been my world for the last five years, it’s the best show on telly.

Fans hope this isn't the end for Caroline – and one glance at her best bits shows why we all want her to stay in our lives...

A WOMAN who was seriously injured by a sofa which fell on her from a building says she's "glad to be alive".

Edita Butkeviciute, 30, has been in hospital with injuries to her spine, legs and lungs since the incident in Aberdeen city centre on December 7.

She said she faces three months more in hospital as "everything is broken inside me".

Two men, aged 26 and 31, have been charged after the sofa was allegedly thrown from a building.

Ms Butkeviciute, from Lithuania, had stepped outside at the rear of her work to speak to her boyfriend Daniel Ferreira on the phone when the sofa fell on her.

She said: "I remember

waking up, I screamed really loud for help and started feeling cold. I couldn't move.

"When I woke up the second time I saw the sofa just in front of me. I didn't know that had come on top of me."

Ms Butkeviciute said she then heard police and ambulance crews

Her colleagues put warm covers over her, as she had started getting "really cold".

## Paralysed

She added: "All the way to hospital I was asking if I was going to be paralysed. I was telling them, 'Please call my boyfriend'."

"I am very glad I am alive. I am very lucky to be alive."

A report on the case has been submitted to the procurator fiscal.

## Packham: HS2 is disaster for environment

WILDLIFE star Chris Packham has joined forces with actress Emma Thompson and singer Annie Lennox to warn people of the "environmental disaster" they say will be caused by the HS2 rail line.

The *Springwatch* host (above) launched a short Christmas film called *Stand For The Trees*, which calls for HS2 to be scrapped and for the protection of 108 ancient woodlands along the proposed high-speed route.

The film features music by Scottish pop star Lennox and a voice-over by Bafta-winning actress Dame Emma.

Set in Jones Hill Wood, it follows an eight-year-old boy who encounters HS2 workers clearing trees close to his home.

### Investment

Chris said: "The project is an environmental disaster across many parts of that spectrum.

"Please don't think we're saying we don't want investment in different means of transport - we do.

"But this isn't it." The environmental campaigner said that endangered bats, butterflies and barn owls were facing what could be their "last Christmas" if the project is given the green light.

Packham and Dame Emma have worked closely with Extinction Rebellion, with both taking part in April's climate change protests in central London.

## Whirlpool issue fire-risk recall on its washers

WHIRLPOOL announced it is to recall hundreds of thousands of fire-risk washing machines, just months after it launched a major recall of potentially dangerous dryers.

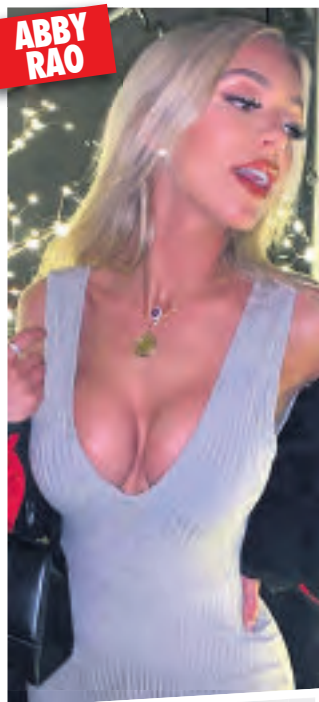

The firm said as many as 519,000 washing machines sold under the Hotpoint and Indesit brands in the UK between October 2014 and February 2018 could be affected by a flaw with the door-locking system that could lead to them overheating and then potentially catching fire.

It has urged owners of appliances bought since 2014 to contact Whirlpool immediately to check if their washing machine is one of the models affected.

Whirlpool said it was working at "full speed" to officially begin the recall in early January.

In the meantime, it advised consumers to unplug their washing machines and not to use them.

**A MORGUE worker was caught having sex with a female corpse after he got drunk celebrating his footie team's win.**

Wanderley dos Santos Silva, 52, was fired by Brazil's Institute of Legal Medicine in Manaus after a cop walked in on him having sex with the corpse in the presence of a colleague.

Silva is then said to have tried to flee.

The pair had been out celebrating Flamengo's win against River Plate in the continental Copa Libertadores on November 22.

After getting drunk Silva and his pal went back to the office in the early hours.

Local media report an officer from the Department of Forensic Police had gone into the morgue to collect some information on a female corpse when he found

The case was reported to the Department of Forensic Police and Silva, along with his unnamed colleague, were immediately fired for "serious functional faults".

A police case into necrophilia has been

launched, and Silva faces between one and three years in prison if found guilty of having sex with the corpse.

Gabriel Barbosa scored twice in the dying moments of the game to dramatically win the trophy for Flamengo.

## Missing ape 'not tame'

**THE OWNER** of a missing marmoset monkey is appealing for help to track their escaped pet.

Sarah Yas warned the 14-month-old animal was "not tame" in a Facebook post shared on a Pets Lost and Found group in Oxfordshire last night.

She wrote: "Lost female marmoset monkey in Kidlington on Cromwell Way. 14 months old. Not tame."

"If seen please use gloves or towel to catch her and message me. Thank you."

Most marmosets are about eight inches long. Relative to other monkeys, they show some apparently primitive features, they lack wisdom teeth, and their brain layout seems to be relatively primitive.

Like other monkey s, they like bananas and hurling their own faeces.

ON TOP: Naked Jo in porn scene

## Curtis reveals regret over Christmas smash

**THE best bit of dreary Christmas romcom *Love Actually* – where Gavin & Stacey star Joanne Page appears naked – should have been BINNED, says its creator.**

Writer Richard Curtis, who also penned *Four Weddings and a Funeral*, appears now to be embarrassed about the scenes. They featured the characters of actors Martin Freeman and Jo slowly falling in love on the set of a soft-porn film as the cameras roll on their naked bodies.

But asked if he would change anything about the film, Curtis (right) confessed at the Global Citizen Awards: "I think the naked people should be wearing more clothes."

Sky Cinema is

currently offering a free download-to-keep copy of 2003 blockbuster *Love Actually* to its movie subscribing customers.

Even better news is that Jo, 42, is due back on our screens next week for the hugely anticipated *Gavin & Stacey* Christmas special.

Hugh Grant described his dance to the Pointer Sisters song *Jump in Love* as "excruciating" and "absolute hell".

He told the BBC: "I thought, that's going to be excruciating, it has the power to be the most excruciating scene ever committed to celluloid."

## Twitch is sued for £2.1bn over footie

**INTERNET** streaming site Twitch is being sued for £2.1BILLION after being accused of illegally showing Premier League games.

Rambler Group alleges its exclusive broadcasting rights in Russia were breached by the service more than 36,000 times from August to November.

It is now seeking to ban the Amazon-owned platform in Russia.

Twitch's lawyer has called Rambler's case "unfounded", saying it can't be held responsible for its user's actions.

Russia is the third-largest user of Twitch, which has more than 15 million daily active users worldwide.

Its terms and conditions state users cannot share content without permission from the copyright owners.

## MEL B RECLAIMS HER 'LOST' YEARS

**SINGER** Mel B says donning her iconic Scary Spice leopard print outfit again recently made her feel she was "reclaiming" who she once was after experiencing some tough years.

The Spice Girls – minus Victoria Beckham – got back together for a string of tour dates across the UK and Ireland earlier this year.

Mel, 44, went through a messy divorce with ex-husband Stephen Belafonte last and revealed she felt she had "lost who I was".

Discussing how it felt to get back in her Scary Spice get-up, she said:

"It felt brilliant. "My costumes were out of this world, and once I had my catsuit on, my weave as big and bouncy as I could possibly make it, and my high heels, I felt invincible."

"When I stood on stage in my full Scary Spice outfit, a part of me felt like I was reclaiming who I was – reclaiming those lost years."

# YOUR CHEATING HEART ~~HEART~~ DNA

**Unfaithfulness is genetic, new survey suggests**

**TWO-THIRDS of women who cheat on their partners have mothers who were unfaithful too, according to a new survey.**

A third of unfaithful women (32%) felt their mother's infidelity had given them 'permission' to stray – because the behaviour runs in the family and would not be a surprise.

Men are also more likely to stray if their fathers were philanderers, but not to the same extent as women. Just

By **JAYNE FERGUSON**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

over half of unfaithful men (52%) said that cheating ran in the male half of the family.

The results suggest that there is a 'cheating gene' which runs in families – making the children of unfaithful people more likely to betray their partners.

They were revealed in a new poll of 2,000 people who have had affairs by IllicitEncounters.com, the UK's leading dating site for married people.

It found that the old adage

'like mother, like daughter' really does appear to be true.

Gweneth Lee, 47, of Chelsea, west London, has had affairs with more than 100 married men she met on IllicitEncounters.com over the last decade – three-quarters of whom had parents who had cheated.

She said: "Cheating runs in the family. Sons or daughters of cheats fear the disapproval of their parents far less, because they know they have been unfaithful too."

"One of the men I have been seeing is a wealthy banker from Cambridge, whose mother has been married three times.

"He grew up with her dating a succession of different men and that affected his behaviour as he got older.

## Fun

"His mother is aware that he cheats on his wife and they have kept the secret between themselves.

"She told him, 'Well, I can hardly start lecturing you after the way I've behaved'.

"Another of my lovers is a guy in his 30s whose parents were both unfaithful throughout his teenage years and while he was at university.

"He is married and cannot stay faithful. He said the idea of sticking with one person for 50 years seemed pretty boring after he had seen how much fun his parents were having.

"His wife has cheated on him, too – and both her parents were adulterers."

Gweneth said many of

**OVER 100 AFFAIRS: Gorgeous Gweneth**

her unfaithful female friends had mothers who were cheats.

She said: "Some of them tell their mums all about their affairs. They gossip about it."

"In some cases, their mothers are still having affairs anyway – so they are sharing tips on how to keep them secret."

The poll found that 64% of women who have cheated on their partners had mothers who had done the same.

And 78% of those female cheats said their knowledge of their mother's infidelity had made it more likely

they would stray, too.

Adulteresses feared a backlash from their parents over an affair far less than the offspring of couples who had remained faithful.

Just 22% of female cheats said their mother's disapproval would make them give up an affair – compared to 42% for those whose mothers were faithful.

And a quarter of unfaithful men (25%) said they would give up an affair if their cheating father told them to – compared to 48% for those whose fathers were faithful.

## Grant family on dark side over Star Wars role

BRIT actor Richard E Grant has revealed security around the plot of the latest *Star Wars* film was so tight he didn't even tell his wife or daughter the name of his character.

The 62-year-old (above) is part of *Star Wars: The Rise Of Skywalker's* star-studded cast which includes Mark Hamill, Adam Driver, John Boyega and Daisy Ridley.

The film follows on from 2015's *The Force Awakens* and 2017's *The Last Jedi* and brings to an end the nine-part saga that began with the original *Star Wars* in 1977.

Richard plays Allegiant General Pryde from the First Order but was so worried about being told off by producers for letting the film's secrets out he kept his role under wraps.

He said: "I never told them until it was revealed in *Vanity Fair* a couple of months ago.

"I'm a blabbermouth, so it was complete lockdown. I was living in terror of being fired."

*Star Wars: The Rise Of Skywalker* is out in cinemas tomorrow.

## Pervert held over w\*nk on shopper

A TEEN was arrested for allegedly masturbating onto a woman who was shopping in Walmart.

Elias Flor, 19, is accused of the sex act at a store in Winter Haven, Florida, where he spotted a woman in the toy section and "unzipped his pants, pulled out his penis and approached her".

While she was facing a display, Flor "pleasured himself in plain sight on her", police said.

When the "distressed" victim realised what Flor had done she contacted the shop's security.

Flor fled the store before police arrived, but he turned himself the next day and admitted to masturbating onto the victim, the report said.

He has been charged with battery and lewd, lascivious exhibition and released on bail.

## TAMARA HUBBY SLAMS LORRAINE

THE husband of heiress Tamara Ecclestone has hit back over TV coverage of a £50million jewellery raid at their home.

Jay Rutland reacted on Instagram after Lorraine Kelly made comments on her ITV morning show.

The Scottish host said she did not understand anyone having that amount of jewellery, adding: "Just

get stuff from Claire's Accessories, then nobody will want to steal it."

Fellow presenter Kate Thornton commented on a photograph that Tamara (left) posted on Instagram of her daughter boarding a private jet to Lapland hours before the burglary on Friday.

Thornton said: "If you've got £50m of jewels

at home, don't let people know you're not there."

After the show Mr Rutland wrote: "Cheers, Lorraine. I hope you never have the misfortune to be robbed."

Ms Ecclestone's father, ex-Formula One boss Bernie Ecclestone, suggested on Monday that the burglary may have been "an inside job".

Christmas Day is just a week away – and what's the first thing you think of when Christmas gets mentioned?

No, NOT that "simmering familial resentment that boils over into drunken violence after the Queen's Speech"...

The first thing we think about is... **STOCKINGS!**

But these stockings are not filled with worthless prezzies that will clutter your house until it's decent to bin them – these are filled with topless beauties!

Call it our festive gift to you, readers.

## Daughter tells of Clifford's icy showers

DISGRACED celebrity publicist Max Clifford complained of "ice-cold" prison showers and was shown a lack of humanity and dignity in his dying months, his daughter has told an inquest.

Clifford, 74, collapsed at Littlehey Prison in Cambs, where he was serving an eight-year sentence for historical sex offences.

He died of heart failure in hospital on December 10, 2017, two days after he was rushed there.

His daughter Louise Clifford told an inquest in a written statement: "I could see him getting more and more frail."

"He would complain to me daily about the ice-cold showers and cold cell and what a shock to the system it was each time."

Ms Clifford, who did not attend the hearing in Peterborough, said: "I was desperate for him to have a chance to clear his name."

Inquest continues.

Access target will 'miss by 40 years'

A TARGET to make Britain's railway stations fully accessible to disabled passengers by 2030 will be missed by 40 years.

Disability charity Leonard Cheshire claimed all stations will not be step-free until 2070 at the current rate of work, stopping people such as wheelchair users from travelling by train.

The charity's boss Neil Heslop said of the Government's 2006 plan: "We call on Boris Johnson to prioritise acceleration of Access for All."

# BODIES IN THE BARRELS SLAYER

**SADISTIC John Robinson wasn't just a member of a secret sex cult, he was the organisation's violent 'slave master'.**

**Robinson's role was to lure female victims to illicit gatherings, where other associates could rape them.**

**And, once the torture and slaughter was over, Robinson simply disposed of their bodies in crude metal barrels...**

**DEATH TRAPS:**  
The women were left to rot in barrels

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**

**FOR vulnerable and lonely women, it was simply an indecent proposal they could not refuse.**

John Robinson posed as a millionaire on websites devoted to submissive sex, saying he was looking for a live-in 'mistress' – and he'd pay her £50,000-a-year.

One lady who answered the call in 1999 was 27-year-old care home nurse Suzette Trouten, the pretty owner of two beloved dogs who planned to use the money to finish her university degree.

Robinson even promised to put her up in her own apartment in Kansas City.

But Suzette's dream of a life

By **BRAD CHADWICK**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

of riches soon became a living nightmare.

Within a year she was dead, struck on the head by a large hammer – a blow so fierce it caused the bone to fracture and pierce the brain.

Suzette was found, like the other victims, upside down in a 55-gallon metal barrel near a tool shed.

She was naked and immersed in about 14 inches of fluid... the result of her own decomposition.

When Robinson was arrested in June 2000, his reputation as a respectable family man and business entrepreneur was

shattered. Instead, he was cast as a sinister serial killer responsible for at least eight murders.

The Robinson family even issued a statement as this apparently loving husband and father was taken into custody.

They wrote: "We have never seen any behaviour that would have led us to believe that anything we are now hearing could be possible. While we do not discount the information that has and continues to come to light, we do not know the person whom we have read and heard about on TV. John Robinson is a loving and caring husband and father. We wait with each of you for the cloud of allegations and innuendo to clear, revealing, at last, the facts."

But for Stephen Haymes, one of the police officers who helped bring the murderer to justice, Robinson is simply an expert in deceit.

Haymes said: "I've dealt with a wide variety of characters, but never anyone like Robinson."

### Deviant

"He's just chilling. There are so many sides to him."

"There is the con man after money, there is the sexual deviant and there is the cover-up artist – the lies, endless lies."

Robinson, now 73, grew up in Cicero, Illinois, the middle child of five.

A success at school and a keen scout, he even flew to London with his troupe and performed on stage at the Royal Palladium in front of Queen Elizabeth II.

He was praised for his 'scholastic ability, scouting experience, poise and engaging smile'.

At the age of 21 he studied medical X-ray

technology, got a job as a lab technician and married Nancy Jo Lynch.

On the surface, he was enjoying the perfect life.

But trouble simmered. In 1967, he was found guilty of embezzling £25,000 from his place of work by forging cheques.

He avoided jail but was placed on probation for three years.

He went on to get a job with Mobil Oil, only to be fired for stealing £5,000 worth of postage stamps from them.

Charged with theft, he moved to Chicago – where he embezzled a further £4,000.

He was jailed but emerged after just a few weeks and was released from his probation in 1974, two years early.

By 1976 he'd been fined £2,500 by a federal judge for yet MORE counts of fraud.

Robinson was now a pathological thief, who was somehow avoiding justice.

By the age of 34, Robinson was the father of four children and had moved into a plush nine-bedroom mansion in Kansas, setting up a hydroponics company specialising in growing vegetables indoors.

But, while some of his neighbours found him affable and intelligent, others worried about his

'mean streak' and quick temper.

He was controlling and was often heard screaming at his wife and kids.

And little did those same neighbours know that Robinson had set up another company. One which he used as a front to lure girls to their death.

In 1984 he handed a job to Paula Godfrey, a 19-year-old who had just graduated from high school.

When she vanished, her parents called in police and a manhunt was launched.

When a letter seemingly written and signed by Paula arrived stating that she no longer wished to see her mum and dad, police abandoned their missing persons case.

But the note had been forged – and Paula is thought to have become Robinson's first murder victim.

Her body has never been found.

A few months later, Robinson's true personality started to take over.

Unbeknown to family and friends, he opened a brothel specialising in rough S&M sex.

He also became a leading member of a cult called the International

Council of Masters and began 'recruiting' women to work there.

One was Lisa Stasi, a 19-year-old mum to a four-month-old girl, Tiffany.

Lisa had been taking refuge in a women's shelter, having been beaten by a former boyfriend.

Posing as a charity worker, Robinson offered her a steady job and a roof over her head.

Lisa was never seen again.

In a frantic phone call to her mother, Lisa had whispered 'Here they come...' before the line went dead.

### Gun

Cruel Robinson then masqueraded as an 'adoption agency' and 'sold' Tiffany to a happy couple for £4,500.

By now he'd immersed himself into the BDSM scene and went looking for more female recruits while keeping various mistresses holed up at flats across Kansas City.

One witness, who testified in court, told how Robinson barged into her apartment, beat her across his knee, then inserted the barrel of his gun into her vagina.

He told her, 'You've been a real bad girl. You need to learn a lesson. And if you don't shut up, I'll blow your brains out'.

Over the next few years, more and more women went missing, including Catherine Clappitt, 27, Sheila

Faith, 45, and her daughter Debbie, 15, Izabela Lewicka, 21, Beverly Bonner, 49, and Suzette Trouten.

Robinson had become more and more violent in his sexual relations.

But everything changed in the spring of 2000 when a woman he met on the internet – known only as 'Jeanne' – went to the police.

She'd been keen on indulging her passion for kinky sex – but was left crying hysterically when Robinson grabbed her by the hair, flogged her across her breasts and back, raped her, and then took photographs of her nude body.

Within minutes of Jeanne's call to the cops, Robinson was arrested.

Armed with search warrants, police stormed his ranch in La Cygne. They quickly discovered the bodies of Suzette

and Izabela, rotting in barrels.

Hours later, at a lock-up over the border in Raymore, Missouri, police uncovered more barrels – crammed with the decaying corpses of Sheila and Debbie Faith and Beverly Bonner.

All of them had died from several blows to the head before being disposed of.

By March 2001, Robinson was standing in the dock charged with three counts of murder – the only slayings they had enough evidence to pin on him.

Dr Thomas Young, the chief Kansas City medical examiner, told the court: "When they opened those barrels... I've been around a lot of homicide scenes before and I've smelled pretty old, decayed bodies, but they'd all been exposed to the open air. The bodies of these women had been locked in

barrels, and, man, it was an extraordinarily vile stench – very uncomfortable."

In 2002, Robinson was sentenced to death in Kansas for the murders of Suzette and Izabela, and life imprisonment for killing Lisa – a sentence that reflected the fact she'd been murdered before Kansas reinstated the death penalty.

A year later, in a different Missouri courtroom, Robinson admitted his guilt in the slayings of Catherine, Paula, Beverly, Sheila and Debbie.

### Haunted

Confronted with the testimony of 110 witnesses and some 500 pieces of evidence, Robinson showed virtually no emotion throughout his two trials.

Prosecutor Julie Stegnall told the jury: "The defendant cried just one time during his whole trial."

"He didn't cry when there was testimony about Lisa Stasi. He didn't cry when there was testimony about Izabela Lewicka's body

being taken out of that barrel."

"He didn't cry when there was testimony about Suzette Trouten, when her family testified, when her body was taken out of that barrel."

"He didn't cry over Beverly Bonner, Sheila Faith or Debbie Faith."

"He only cried for himself. That says it all."

"He doesn't care anything about anybody but himself."

"Manipulation and deceit, they go hand in hand with the defendant throughout these last 20 years."

One juror, Skip Skipper, said he would be forever haunted by the images of the dead women.

He winced: "The injuries were awful. It was like he took a hard-boiled egg and cracked it."

"I don't think I'll ever eat another hard-boiled egg."

"To think that their families thought they were being looked after, having the best time of their life."

"And there they were, out behind some shed, rotting in a barrel."

# DRUNK GIRL SETS FELLA'S WILLY ON FIRE

A BOOZY woman set her boyfriend's cock on FIRE – because he would not celebrate with her after she got a job.

Kathy Elizabeth Jones, 45, was arrested after cops were called to a "domestic incident".

Police say she tried to set her boyfriend on fire by spraying lighter fluid on his groin and throwing lit matches at him.

It's alleged she also caused damage to the door frame of her rented home after she slammed it as hard as possible when the man locked her out to wait for police and paramedics to arrive.

### Rum

Jones later told officers that she remembers being upset with the victim because he refused to celebrate with her after she got hired by a sandwich chain.

She said she had downed two alcoholic beverages and two mixed drinks

containing rum, which she described as being "strong".

The boyfriend – who has not been named – told officers that Jones had drunk "a whole mess more than that".

Jones told detectives that she does not remember anything else about the evening and does not know how she ended up getting locked out of the house in Avondale, Arizona, where she has only lived for a month.

A judge has set bail of £12,000 for Jones.

If released, she is ordered to not have any contact with the alleged victim.

## Oh Lord you're ugly...give us a ring

ODD-looking people – especially those with no teeth – are being asked to apply to be extras on the new *Lord of the Rings* TV series.

Two Auckland casting companies have issued appeals to fill roles for orcs on the new Amazon series, which begins filming next year.

One of the agencies turned to Facebook, where they asked for suitable applicants under 5ft or over 6ft 5ins with "wonderful noses" and "character faces".

The other asked for people with lots of wrinkles and "hairy people of all ages and ethnicities".

**S**TUNNING Holly Gibbons has a list of sex positions she can't get enough of and has a kinky secret that drives her WILD in the bedroom.

Holly, 29, from Brighton, said her favourite way to bonk is in the reverse cowgirl position, closely followed by a doggy-style shag.

Talking about reverse cowgirl, Holly said: "It totally works by hitting the right spot to climax."

"I think it's good for blokes, too – mainly because it's a bit like doggy for them but they can lie down."

"My second fave is doggy-style – it just feels so animalistic and naughty!"

And the 32E blonde bombshell has a secret trick for fellas who are keen to drive her crazy in bed.

She added: "It drives me mad when my fella blindfolds me and then slowly kisses down my body."

"It's really frustrating – but in a good way – and I always go crazy for him!"

# NOW COPS PROBE SEXY TEACHER'S MINGE

By COLIN HURST

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**COPS have been called in to investigate claims that a pretty school teacher had sex with several of her teen male pupils.**

Fiona Viotti – who is also a water polo coach – had seemingly escaped punishment after the school concluded an internal investigation into her last month.

But now the school has formally reported the issue to police.

Viotti, 30, could face prosecution for the sexual grooming of the pupils she allegedly targeted – even though all the lads she reportedly had sex with were above the age of consent.

The school concluded that Viotti had engaged in sexual misconduct with “at least five pupils” over a six-year period from 2013 to 2019.

## Fingering

The school’s probe has so far failed to uncover who was distributing illicit videos of Viotti and couldn’t trace the person who had put them on grumble megasite PornHub.

The website has since removed all content purporting to be of the teacher uploaded in October.

The videos showed a woman – apparently

**ILLCIT VIDEOS:**  
Viotti

Viotti – fingering her neat minge.

It’s thought cops will also investigate who leaked the X-rated videos with a view to prosecution under anti-revenge porn laws.

Greg Pearson, the headteacher at Bishops Diocesan College in Cape Town, South Africa, confirmed that the school is now “co-operating with the

relevant authorities”.

Even though the school suggested they couldn’t take in-house disciplinary measures against a teacher who had resigned, the option of a criminal prosecution remains on the table.

The exact details of the charges Viotti may face haven’t been fully explained and an update is expected.

## Christians cross at ‘gay Jesus’ show

A NETFLIX comedy which depicts Jesus as a gay man has angered two million people into signing a petition, demanding the show is axed.

*The First Temptation of Christ* was created by Brazilian YouTube comedy group Porta dos Fundos and portrays the Son of God bringing home his boyfriend Orlando to meet the Holy Family.

An online petition on [Change.org](http://Change.org) called for the 46-minute holiday special to be removed from Netflix, saying it had offended Christians.

Porta dos Fundos said it “values artistic freedom and humour through satire on the most diverse cultural themes of our society, and believes that freedom of expression is an essential construction for a democratic country.”

## AIRPORT BOMB HOAXER FINED

A MAN who ran NAKED through an airport screaming about a bomb threat has been sentenced to 10 years of probation.

John Thomas Greenwood, 27 (below), was also ordered to pay compensation to airlines affected by an evacuation that also stranded travellers.

In May last year, Greenwood – clad only in socks – ran through Daytona Beach International Airport in Florida screaming that a bomb was about to explode.

He was eventually subdued by police using a stun gun on him. The airport was shut down for two hours while the terminal was evacuated and officers searched for a bomb.

The judge’s sentence is lower than the nearly four years in prison recommended by state sentencing guidelines.

Volusia Co Circuit Judge Matt Foxman set the compensation amounts at £3,500 for American Airlines and £7,000 for Delta Air Lines.

## Killer 'driven by Satan' in escape drama

A KILLER who claimed Satan ordered him to murder his sister tried to escape from court through the CEILING.

Leonid Greyser, 18 (above), clambered up through a hole in the ceiling above where he stood in the dock at Scherbinsky District Court in Moscow.

Police officers watched as Greyser tried to make his way out of his glass cage and into the roof space above.

But as he attempted to crawl into the gap, he was pulled back by three armed guards.

The murder suspect was pulled down from the ceiling – losing his trousers in the process – and placed back into the dock.

He later confessed to the murder of his 21-year-old sister, Ariada Korol, and was detained.

Ms Korol was found naked with multiple stab wounds in the foyer of an apartment block where she shared a flat with her brother.

Greyser had initially claimed Satan made him kill his sister.

## Superman auction: cape flies to £150k

AN iconic Superman cape worn by the late actor Christopher Reeve has fetched almost £150,000 at auction.

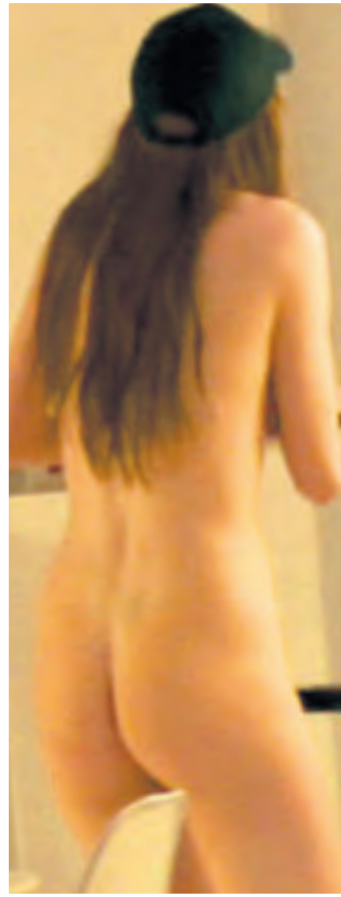

The garment, one of six made for Reeve in the 1978 movie *Superman*, sparked a bidding frenzy at the sale in LA.

Bidders battling it out included one from China but eventually a "huge fan and collector" from the US won the prop by phone for £147k.

The costume features the character's signature yellow "S" symbol outlined in black on red material.

Reeve was a quadriplegic for the last nine years of his life and died in 2004, aged just 52.

**CRACK SHOT:** Karen in *Not Another Happy Ending*

## Karen looks tasty in new fantasy film ...but even better NUDE

By JAYNE FERGUSON

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**FIT Scot Karen Gillan is helping to pour millions into Hollywood studio coffers with the blockbuster sequel to *Jumanji*.**

The ex-*Doctor Who* star – who played assistant Amy Pond in the BBC1 series between 2010 and 2013 – returns as Ruby Roundhouse in *Jumanji: The Next Level*.

The auburn 32-year-old looks absolutely sensational once again in her Lara Croft-style sexy commando gear.

But mega fans will be delighted to know there IS a way of seeing more of the stunning star's better bits.

Karen's perky nipples were once

on display beneath a sheer top when she took part in a fashion show catwalk.

She also flashed her bare bum – while her naked boobs were carefully covered – in the 2013 comedy flick *Not Another Happy Ending*.

Karen went interstellar with her role as Nebula in *Avengers: Endgame* earlier this year and 2014's *Guardians of the Galaxy*.

One production source said: "Ruby Roundhouse is not the type of girl you mess around with – but Karen's got this incredible femininity and pretty much everyone fancies her."

# SCROOGE BOSSES INSTALL 'ANTI-SKIVING' BOGS

A LONG, relaxing shite break could be a thing of the past – thanks to a new toilet that developers say will make people want to leave the loo after just FIVE minutes.

The "StandardToilet" has been backed by the British Toilet Association, a group that campaigns for better bathroom facilities in offices and public spaces.

The seat is sloped forward by 13 degrees, to increase strain on the legs similar to a gentle squat thrust, according to developer Mahabir Gill.

The Staffordshire-based company says it has already had interest from local councils and motorway service stations for the £150-500 toilet.

They also hope to target offices, as they believe cutting down on the length of employee bathroom breaks would dramatically improve productivity.

Mr Gill said: "It is estimated that in the UK alone, extended employee breaks costs industry and commerce £4BILLION per annum.

"With the advent of flexible

zero-hour contracts it is easy to see why our StandardToilet can be an asset to business."

Mr Gill also said it provides health and wellbeing benefits through improved posture and encouraging less time sitting on the toilet.

He added: "Medical studies have suggested that using the traditional WC can cause swollen haemorrhoids and weakening of pelvic muscles."

"The StandardToilet provides increased comfort through promoting the engagement of upper and lower leg muscles."

# THE WORLD FAMOUS AGONY

## Page

Dear Ashleigh,

I'M a 38-year-old fella and have been single since divorcing my wife a couple of months ago... and I've also been horny as f\*\*k!

I decided to do something about it and soon I met a fit 28-year-old blonde down at my local.

After a few drinks she began rubbing her hand up my leg and even patted my cock when no one was looking.

I whisked her back to my place and I had barely closed the front door before she had my cock out of my trousers and down the back of her throat.

Within a few moments we were shagging each other silly in all kinds of positions and we finished off by enjoying furious anal on the kitchen floor.

The problem is I haven't exercised in years and now I think I've buggered my back.

Am I too old for this nookie lark?

PJ, Lancs

Ashleigh says...

AT least you have ONE muscle that's working fine!

Dear Ashleigh,

I HAVE been with my girlfriend for a year and I thought we were getting on great – in and out of the bedroom – until a few weeks ago.

My girlfriend is quite good friends with one of her exes and they still spend time together.

I didn't mind because he seems a decent enough bloke and he told me he'd never do the dirty on me and even gave me tips on what really turns her on sexually.

But our relationship changed when we all went to the gym together the other day because, in the changing room, I discovered her ex is hung like a donkey.

He is double the size of me, I was shocked and it made me think I am not satisfying her like he did.

The situation is really freaking me out and it's starting to affect my performance in bed. What should I do?

NC, Norfolk

Ashleigh says...

HOW many times does it have to be said... it's not the size, it's what you do with it that counts.

## I gave older and bolder blonde a special delivery

Dear Ashleigh,

I WORK for a parcels service and female customers love my special deliveries.

Most of my contacts are housewives whose husbands are at work.

My favourite is a 45-year-old fit blonde who is older, wealthier and knows loads of tricks.

I took a parcel the other week and she whisked me in before I could even ring the doorbell.

She was wearing a tight blouse and a short skirt, exposing her bronzed bare thighs.

I went straight for her half-open blouse and slipped

it off before unclipping her bra and freeing her boobs.

As I played with them, she slipped to her knees, pulled out my eight-incher and began sucking it.

Soon we were both naked and I shagged her standing up in the hallway until we had simultaneous orgasms.

Now she's desperate for me to make a return visit, but I'm worried about losing my job.

What should I do?

VK, Birmingham

Ashleigh says...

CARRY on bonking. Your boss has probably had exactly the same experience!

# My girl insists on showing our sex tape to her mates

**Dear Ashleigh,**

**I'VE been with my gorgeous girl for about six months and we have a pretty amazing sex life.**

We are into bondage in a big way and enjoy dressing up and watching sex videos together.

A couple of months ago she came home with a professional movie camera that she'd borrowed from someone at work and I knew straight away what she had in mind.

I was totally turned on by the idea and we agreed to play our favourite sex game.

I pretended to be a workman who arrives at a house to find a beautiful, but frustrated and horny, housewife crying out for a good screwing.

## **Slurped**

We set up the camera in the kitchen and she put on her sexiest nightie with nothing underneath.

I rang the bell and she let me in. I was pretending to fix the tumble dryer as she bent over in front of me, showing her bare arse.

She sank to her knees and released my hard cock before taking me into her mouth.

And she made sure the camera picked up every glistening inch of my cock disappearing deep down her throat.

She slurped on my manhood and stroked my shaft from the tip to my balls as I moaned loudly with pleasure.

We were both so turned on she could

sense I was about to come, so she withdrew her lips just in time.

Without further ado, she plunged her gaping love-hole down hard on me, taking my eight-incher to the hilt – crying out with pleasure as she rode me until we climaxed together.

The problem is I've since found out that my girlfriend made a copy of the film and has been showing it to her girlie mates.

I like her a lot, but I feel used and betrayed and I'm wondering whether to dump her.

What do you think?

GJ, Essex

**Dear Ashleigh,**

I LOVE giving my hubby a gobble and get all hot and horny when he shoots down my throat.

But he refuses to go down on me in return. He says it's not natural for blokes to go down there, even though he's seen male actors do it in porn films.

He says I shouldn't give to receive and should do it because I like to.

I do enjoy it, because it pleases him, but surely he should feel the same about pleasing me.

What do you think?

MG, Newcastle

**Ashleigh says...**

**STOP** your moaning. Most blokes would be pleased to be shown off like that to their partner's pals.

**Ashleigh says...**

**TELL** him to lick you out or pack his bags!

# Coach driver's ride of his life with horny hen girls

**Dear Ashleigh,**

I'M a coach driver and I recently took 30 horny women on a hen night.

During the journey to a city nightclub the girls got merrier and merrier as they got stuck into a never-ending supply of Prosecco, so eventually we pulled into a service area for a piss stop.

As I was about to get off the coach to have a leak myself, this blonde cracker with big tits grabbed me by the bollocks and led me to the cramped toilet.

Moments later, she was sucking me off expertly. As I was about to shoot my load, she whipped my cock out of her mouth, sat me on the bog and then started riding me for all she was worth.

## **Fingering**

When we'd finished I opened the bog door and couldn't believe my eyes. There was now a queue of 10 randy women!

I couldn't believe my good luck and quickly rose to the challenge. I ended up shagging, fingering or licking out all of them.

When the bus arrived at our destination, one girl said that she wanted to be "f\*\*ked silly" on the back seat, so I took her from behind and all the girls cheered when I came.

Unfortunately, on the way home they were all too busy throwing up to give any more blowjobs, but it was some trip!

HF, Glasgow

**Ashleigh says...**

**SOUNDS** like you had the ride of your life!

**Dear Ashleigh,**

I'M a married man in my mid-40s and I make love to my wife two or three times a year.

But the youngsters these days seem to be bonking every minute of the day.

We live near a row of shops that include a takeaway and an off licence.

On weekend nights gangs of boys and girls gather outside – smoking, drinking and swearing like troopers.

And some of them go around the back and have intercourse.

I can see the rear of the shops from my back bedroom window and I often sit there for hours with my binoculars watching these sordid goings-on.

I have seen full sex, heavy petting, oral sex and even some doggy-style action – and I think it's bloody disgusting.

One particular big-boobed girl often leads boys around there, kneels before them and gives them oral to completion.

I've mentioned it to the wife, but she just says they're youngsters having a bit of fun.

Should I tell the police?

DH, Devon

**MY wildest fantasy is being ravished in a gang bang!**

It's so taboo and wild, it's not what 'good girls' are supposed to do.

I get so turned on by the idea that a handful of blokes are all there to service me and I'm the centre of attention.

I watch a lot of group sex porn and I only like the ones where the girl is really enjoying it - a lot are rough and forced, which is a turn off.

For me, it's the thought of unleashing my sexual appetite and taking on cock after cock to make me have multiple orgasms!

I imagine multiple hands all over me. And being pounded from behind while I suck another guy's cock.

This is making me horny just thinking about it!"

## #HOT'N'HORNY

**T**OPLESS beauty Lana Parker wants to spend her weekend shooting a homemade SEX TAPE. The blonde bombshell certainly has all the right assets to make a red-hot porn flick.

And she showed off her killer curves in this new photo shoot.

Peeling off her clothes and posing up a storm, Lana revealed a do-it-yourself sex tape is at the top of her bucket list.

She said: "I've never made one, but it's on my list of things to do before I die."

"I think it would be really fun and naughty to film myself and a gorgeous guy having sex."

"Then we could watch it back together... and do it all over again!"

## CARMEN GEMINI

RETAIL worker Freddie Carter says there's only one thing that'll get him through his busy Christmas shifts – and that's this topless shot of Carmen Gemini.

Freddie, 32, will be working non-stop in a store in Glasgow over the festive weeks and needs the pic of 31-year-old Carmen, originally from Prague, to get him through.

He said: "Working in retail means the busiest time of the year is Christmas. I'll be in work at 5am on Boxing Day, so I need some light relief."

"I might be stressed out, but if I've got a naughty photo of Carmen I can always sneak off and give myself a Christmas treat while ogling her 34C boobs!"

## AMY LLEWELLYN

BARBER Simon Fulwood might be busy snipping his clients' hair, but he's hoping glamour girl Amy Llewellyn is underneath his tree this Christmas.

The 29-year-old, from Southport, would love to unwrap the 25-year-old Manchester babe on Christmas Day.

He said: "Amy is a corker, a stunning lady. If she was under my tree on Christmas Day, the turkey wouldn't be the only thing getting stuffed."

"And if she turns up in a sexy festive outfit with those perfect 34DD norks hanging out, I won't be able to keep my hands off her."

# SHOW ME THE HONEY!

**WELCOME** to the interactive *Midweek Sport* – where **YOU** get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – **UNIQUE** to British newspapers – is totally **FREE!**

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## ADRIANA

ENGINEER Bradley Brown can't stop staring at Czech babe Adriana's perfectly formed 32C puppies.

The 55-year-old, from Grimsby, says 26-year-old Adriana's norks are his idea of a perfect pair – and he wouldn't change a thing.

Adriana, now living in Chelsea, looks sensational in this bare-boobed snap and Bradley has never been happier to see a topless photo.

He said: "She's a dream is Adriana and those boobs are an absolute knockout."

"I'll be using all my Christmas holidays to ogle this photo – I can't wait!"

*Suck Like A Brazilian* may sound like the college course you wish your other half would sign up for but this amazing DVD is a celebration of the art of the BJ as performed by dusky South American lovelies.

It's from the house of Private so you know the girls, the studs and the production values are going to be tip-

top but it's the technique on show here that sets it apart.

These girls, led by the stunning Sandy Rio, could get wood from a dead man.

It's generally thought that football is the national sport in Brazil but after sitting through almost three hours of this stunning collection I'm going to suggest that they could also take of the world at c\*\*\* sucking!

We'd love to show you grabs but can't find any without a happy penis front and centre!

## HOT FOXES GIVE DUNC THE BLUES

THREE League Cup quarter-finals to look forward to this evening with the pick, arguably, the visit of Leicester City to Goodison Park. The honeymoon period for Everton boss Duncan Ferguson continued with a hard-earned point at Old Trafford on Sunday when Mason Holgate was outstanding in a defensive midfield role.

Ferguson's hand was forced by the injuries to Andre Gomes, Fabian Delph and Morgan Schneiderlin and he also lost Gylfi Sigurdsson on the morning of the game due to illness. At the time of writing it is unsure if any of that midfield quartet will be available for the visit of the Foxes and with Theo Walcott and Jean-Philippe Gbamin likely to be out until the New Year the Blues are down to the bare bones in the centre of the field.

Brendan Rodgers will make changes to the Leicester side who could only pick up a point at home to Norwich at the weekend, but I just feel they will have enough quality to make it through to the last four. Rodgers and all involved at the King Power will be aware that this is their best opportunity of silverware this season – the Foxes are 20/1 for the title and 7/1 to lift the League Cup with BetVictor. City are 13/10 to win in 90 minutes at BetVictor although I do feel the Blues will score this evening. Leicester to win and both teams to score is 16/5 at BetVictor and that is the recommendation.

Holders Man City travel to the Kassam Stadium Oxford and it is hard to see how the U's can stop Pep Guardiola's side who thrashed hapless Arsenal at the Emirates on Sunday. The hosts have failed to score in their last three League One games and are 13 points behind leaders Wycombe in the table.

### Opposition

The last Premier League side to visit the Kassam Stadium were West Ham who were dumped out of the competition 4-0 back in September. A similar result this evening is 450/1 but, for the less speculative, City are 21/20 to win the tie to nil with BetVictor and they should be odds on. That must be the recommendation.

Manchester United entertain Colchester United at Old Trafford this evening and the U's have beaten two Premier League sides – Palace and Spurs en route to the last eight although both successes were gained on penalties following goalless draws in 90 minutes.

The U's – yes another – are 16/1 for what would be an improbable win and it is 33/1 that they get a third 0-0 draw against Premier League opposition in the competition. There are likely to be in excess of 6,500 Colchester fans at Old Trafford and it promises to be a cracking atmosphere. While it remains goalless Colchester's confidence will grow on and off the pitch, but the U's have never scored a goal against Man United.

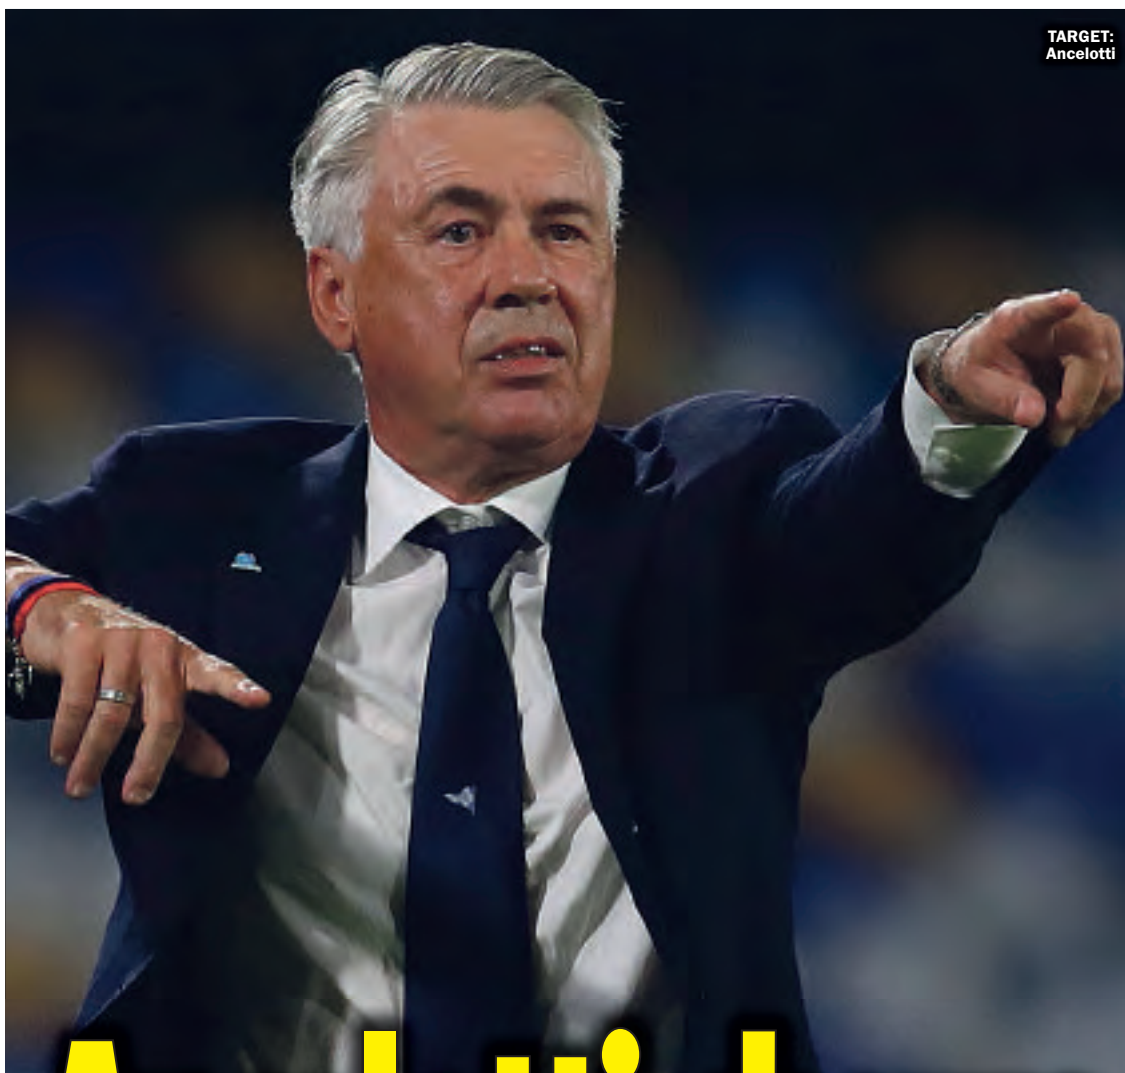

In the two games between the clubs United won 1-0 courtesy of a Jimmy Greenhoff goal in the FA Cup in 1979 and 2-0 in the 1983/84 League Cup with goals from Gordon McQueen and Remi Moses. United to win to nil is Evens at BetVictor and that is the tip.

# Ancelotti chews over Toffees bid

## EVERTON OFFER KING CARLO MASSIVE WAGES

**EVERTON are willing to break the bank for Carlo Ancelotti.**

The Toffees are desperate to get the Italian installed as their next manager.

They are waving a massive wage deal in front of him – plus a big war chest to buy new players.

Everton's board are selling the club as a massive project to the former Chelsea gaffer who has won just about everything in the game.

Big changes are planned for the Toffees who are hoping to get a glittering new stadium built on the Mersey riverfront.

They are owned by billionaire Farhad Moshiri who

By PAUL THOMAS

knows how much a successful Premier League club can be worth.

Having a world-famous boss in charge is the first step in his project.

It looks as though Ancelotti is on board with a four-year deal that would make him one of the highest-paid managers in the world.

He will trouser more cash than the reported £6m per year Jurgen Klopp picks up across the park at Anfield.

Insider Guillem Balague has been lifting the lid, saying: "Ancelotti wanted to be away from football till summer, but the Everton project

with a four-year deal as one of top three paid managers in world is ambitious and long term.

"He'd only accept if he could build a good team in the next few years. He doesn't want to drag the decision."

Everton have had a high-profile manager before but it didn't work out with Ronald Koeman or Roberto Martinez.

They have both gone on to success on the international stage with Holland and Belgium.

Ancelotti, 60, won the Premier League and FA Cup double with Chelsea and led AC Milan and Real Madrid to Champions League titles.

That's the pedigree Everton want and Moshiri has

been in talks with Ancelotti in London.

In the meantime, Toffees legend Duncan Ferguson will stay in caretaker charge of the team.

He led the Blues to a win over Chelsea and battling draw against Man United.

A club statement said: "While the club is keen to confirm a new permanent manager as soon as possible, the only important duty is that the right appointment is made."

"While our process continues, Duncan Ferguson will remain as caretaker manager and will take charge of the side for Wednesday night's Carabao Cup quarter-final against Leicester City."

# POGBA SICK OF INJURY

**Crock's crook moans gaffer**

**PAUL Pogba is sick as a parrot about being injured — literally!**

The Manchester United playmaker has been out since September with an ankle problem. He was set to make a long overdue return to training this week only to go down with illness.

The 26-year-old has played just six times this season and it could be a while before he's back on the field.

Boss Ole Gunnar Solskjaer said: "Of all things he's struck down ill now. 'He's been off for two or three days — three days probably — so that's not beneficial. That's probably set him back quite a bit.'"

The manager was speaking just before a video emerged of Pogba dancing and looking a picture of health at his brother's wedding.

He had permission to attend the bash in France and fell ill the day after before his symptoms got more severe on Sunday.

Solskjaer is clearly frustrated and wants to get his talisman out on the pitch as soon as possible.

He added: "As I've said so many times, Paul's a top, top player that we want to see playing his best football at Man United."

"We just need to get him fit and match fit. It might be half an hour,

By JOHN ANTHONY

45, 60, 90 minutes — who knows, the first game. We're working hard to get him back but now he's ill."

Creativity was sadly lacking from the United midfield as Everton held the Red Devils to a draw at Old Trafford at the weekend.

Solskjaer shares the fans' frustration as they sit sixth in the Premier League.

He said: "We can talk about Paul all day long and it's games like this for example when you're lacking that one creative pass or ideas maybe."

"He has that quality that not many midfielders in the world have so to get him back would be great."

This week gives United the chance to make the Carabao Cup final.

## Trophy

While it's very much the lowest priority for most big clubs, Solskjaer would love to bring some silverware to Old Trafford.

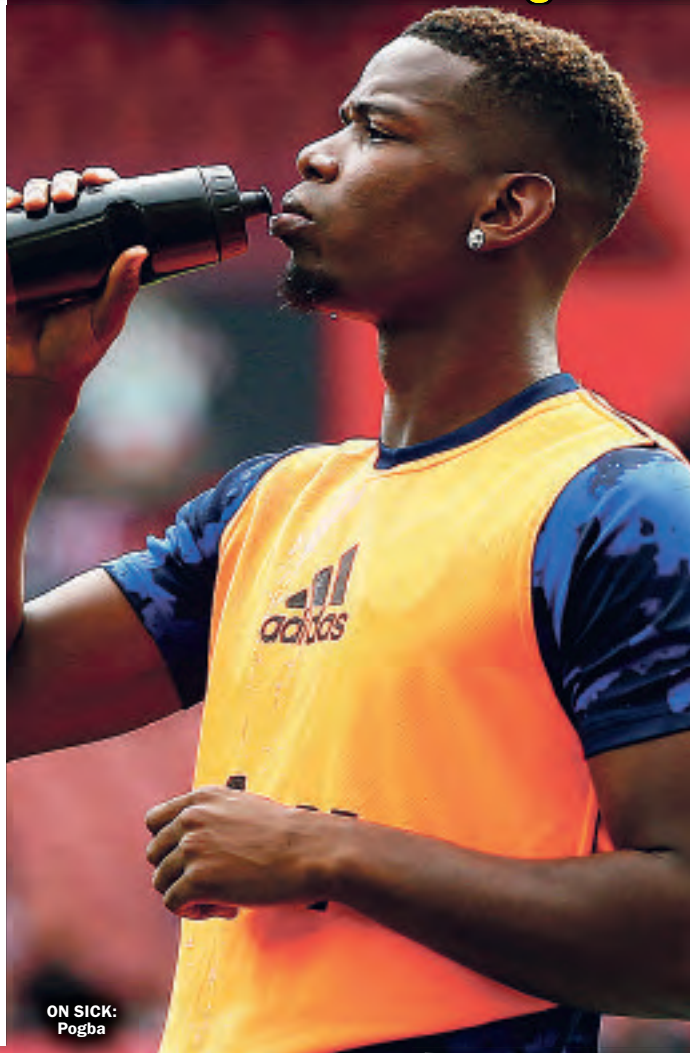

They welcome League Two Colchester with a place in the semis up for grabs.

Solskjaer wants to grab the opportunity with both hands. He added: "Any player or any team — and for us now it's a good team that's building — would benefit a lot from winning a trophy or getting to a final, of course winning it is major."

"Now we've got a chance of getting into the semis so for us this game is a big one."

"We showed that by the team we put out against Chelsea, that we take this seriously, even though we were in a difficult spell in the league it was still important for us to create that momentum and belief in the players."

"Yes definitely, we're hoping to get to the final."

Just beat Wycombe not City says Karl

OXFORD gaffer Karl Robinson is more bothered about beating Wycombe than Manchester City.

The minnows are trying to pull off a massive shock against the Premier League holders in the Carabao Cup quarters.

He has form for giant killing as he managed MK Dons when they stunned Man United 4-0 when Luis Van Gaal was in charge.

But Robinson is much more focused on winning three points in League One against Wycombe at the weekend.

He said: "It was a very memorable evening beating United but every game has its different challenges and, let me assure you, this is much more of a difficult challenge."

"We were lucky at certain stages to stay in the game, took our chances when they came along and we exploited the opposition in the right areas when we needed to."

"We don't prioritise any game, we just want to win every game we go into but I think the most important thing is we respect the game that we have at the weekend."

## Greatest

Oxford are in cracking form with just one defeat in the past 19 games.

Robinson knows it will be difficult to keep that excellent run going against Pep's lads.

He said: "It's a massive challenge because you are coming up against one of the greatest teams in the world, or one of them, with the best manager over the last 15 years, so it's going to be a very, very difficult ask for us."

"But it's one we want to embrace and try and enjoy and hopefully give Oxford something to be really proud of."

"On any given day these are fantastic, these are some of the best players in the world so you've just got to make sure you do your job correctly."

Oxford have pedigree in the Carabao Cup having won the trophy when they were a top flight club in the mid 1980s.

U's defender Rob Dickie is confident of another upset.

He said: "We beat West Ham, they put out a strong line-up."

"You have to have the belief that you can beat anyone."

# HODGSON MAKES CASH CALL

By ANDY MILLOM

ROY Hodgson is calling on the Crystal Palace board to stop playing Scrooge this Christmas.

The Eagles gaffer says he needs to enter the transfer market when the window opens at the start of January.

Palace were crippled by injuries as deadly rivals Brighton grabbed a 1-1 draw at Selhurst Park this week.

Despite bringing in big money thanks to Aaron Wan-Bissaka moving to Manchester United, the Londoners spent just £11m this summer.

That means there is cash in

the bank and Hodgson wants to get his hands on it.

The former England chief said: "We don't really go into the transfer market but I'm trying to persuade the American owners in particular that this is something we really do need to do."

"I thought we needed to do it in the summer and didn't succeed in getting the players we thought were necessary to improve our squad then, nothing

has changed still the same positions."

Palace fight a fight to keep hold of their star man with Chelsea sniffing around Wilfried Zaha.

Blues boss Frank Lampard is determined to land the forward who appears keen on a move away from Selhurst Park.

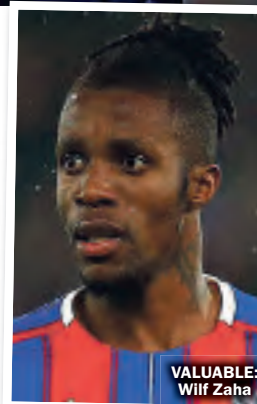

But Hodgson will fight tooth and nail to keep his prime asset. He knows it won't be easy and sounds like he's resigned to Saha going sooner or later — but the Eagles don't have to sell.

He said: "My only solace with

Wilf is that he has got a three-and-a-half year contract and as far as I know the club is in no desperate need to sell him."

"We aren't about to go bankrupt as far as I am concerned."

Hodgson is pleading with Zaha to stay. He added: "I'm counting on Wilf, I'm delighted to be working with Wilf but when the transfer window is coming around I can never say exactly what will happen I will have to adjust, as will the club to anything that comes our way."

VALUABLE: Wilf Zaha

# NEW BOSS AT ARTENAL

## Gunners want Mik in hotseat by Sunday

**MIKEL Arteta could take charge of his first Arsenal game against Everton this weekend.**

The Spaniard has emerged as the clear front-runner to take over from Unai Emery at the

Emirates. And his first match could be against another of his former teams at Goodison Park.

Arteta has been in talks with Arsenal MD Vinai Venkatesham and director of football Huss Fahmy about the job. He

is their clear first choice but his current club Man City are not happy about the swoop.

Arteta is No2 to Pep Guardiola at the Etihad. The boss says he won't stand in his way if Arsenal come calling.

But it won't come cheap with City demanding a

big payoff — of more than a million quid — if Arteta jumps ship.

Guardiola said: "He's an incredible person.

"He is talking with Arsenal so I don't know what's going to happen.

"He knows what we would like but at the end the decision is personal."
